

Online Educational Opportunities For Members

Our members can participate in interactive webinars and view online recorded presentations – each tailored to meet their specific needs throughout their career. We also offer online recorded presentations specifically for Combined and Member-Directed plan participants. **Click on the webinar titles below to register.**

Hey employers!

Our specially trained educators can bring any of our webinar presentations directly to your employees.

An OPERS educator can present an online, interactive webinar presentation just for your employees.

[Employers just need to complete an Educational Information Request on \[opers.org\]\(https://www.opers.org\).](#)

Members can register for webinars by visiting the Member Education Center on [opers.org](https://www.opers.org).

New Hires: How to Select Your OPERS Retirement Plan

Click link for dates and times.

This webinar provides an overview and comparison of the OPERS retirement plans to help new hires choose a plan and learn more about OPERS and who we are as a retirement system. Our educators can also present this webinar to groups of new hires for any of our employers.

Members Early or Midway Through Their Career:

Pension and Health Care Updates

Fridays at 12 p.m.

This webinar focuses on the approved pension and health care changes effective Jan. 1, 2022 and their impact to active members.

Financial Wellness Empowerment Series

These webinars show members how making sound financial decisions can lead to a more secure retirement.

- Personal Budgeting – During this webinar, members learn how to achieve short and long-term financial goals through personal budgeting.
Mondays at 12 p.m.
- Bridging the Gap to Retirement – We help members identify the "gap" between what income they will have in retirement and what they will need and how they can begin closing that gap today.
Tuesdays at 12 p.m.

Members Nearing Retirement:

Ready to Retire Series for Members in the Traditional Pension Plan

These webinars are for members within five years of retirement eligibility and are given back-to-back or as two separate webinars.

- Ready to Retire (Pension) – Members learn about the important decisions they will have to make, the retirement application process and the tools and resources available to assist them with those decisions.
Wednesdays at 12 p.m.
- Ready to Retire (Health Care) – This webinar covers pension and health care funding and future options for the health care plan that could impact members.
Thursdays at 12 p.m.
